YOU ***TOOLS.. Confidence***

COACHING GROUPS BUILD CONFIDENT LEADERS

for Auto Repair Shop Owners and Staff

- Define confidence in you own words
- What do you have to do to become a confident leader?
- What does each of your staff members need to do to be come confident?

People Process

YOU ***TOOLS.. Why? Results Mantra***

At ***You Net Results***, we facilitate ***coaching groups*** for auto repair shop owners, so you reach a ***turnaround point*** where you emerge from the experience moving from a ***business owner*** to a ***confident business leader*** eliminating your ***silent thieves***.

Reaching your ***turnaround point***

Emerging from your ***experience***

Eliminating your ***silent thieves***

Reaching – ***E***merging – ***E***liminating

People Process

YOU ***TOOLS.. Silent Thief***

How long are you going to let ***Silent Thieves*** rob your automotive repair shop? With **Poor**:

- Leadership and Management Processes
- Front Counter Processes *How-to Manual
- People Staffing Processes *Daily Operations
- Financial Processes
- Do **YOU** need to stop the theft of your future?
- Are **YOU** willing to do what it takes? If **YOU** don't fix the ***silent theft*** – **YOU** might as well put the key under the door…and not come back tomorrow!

People Process

Many have discovered in the past…

- People can be a process!
- People can be learned!
- People can be taught!
- People can be “FUN”!
- People can be systemic!

People Process

YOU ***TOOLS***

It's easy to build a People Process but it's easy not to!
